Summary of reasons for decision:

The publication is a moving image file in the form of a hand-held video recording of a girl in a spa pool. She is naked and known to be 10 or 11 years old. There are no overtly sexual elements; the girl's nudity is obscured by water and is not the focus of the recording. The publication does not raise issues under s3(1), s3A or s3B of the Films, Videos, and Publications Classification Act 1993. The publication must, therefore, be classified as unrestricted. This classification is

consistent with the right to freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
